

Task Report

Date : 10-02-2026 (Day 10:00Am – 1:PM)

This is yesterday's tasks , As I missed yesterday's task due to mistake from my side. I have completed the work today.

Identifying Ideal Dataset :

- I have done research using datasets from Kaggle.
- While finding the ideal dataset , I researched many datasets, it helped me to understand real-world datasets.
- I have selected Outlet Identifier Dataset, which contains details of Items and Outlets.

Steps Followed :

- Downloading Dataset from Kaggle.
- Reviewing and understanding columns.

**Thank you,
Aakanksha Pednekar**
